## Bill Could Increase Health Care Costs Without Improving Patient Care

The Assembly Appropriations Committee next week will consider a bill that could increase health care costs by setting dialysis clinic staffing ratios to the most stringent in the country and mandating transition times between patients, leading to patient access issues with no clear evidence of clinical benefit to dialysis patients.

## CalChamber to Host Live Webinar on Meal and Rest Break Rules

California Chamber of Commerce employment law experts will discuss how employers can prevent meal and rest break violations, and how to stay in compliance with the law at an upcoming live webinar.
